**CARING FOR THE FOUR-LEGGED ...** 7-Eleven Malaysia collaborated with NGO Hub Asia in an effort to give back to the community. This time, the animals from PAWS Shelter in Subang were the beneficiaries, receiving four hours of TLC (tender loving care) from the 7-Eleven and Hub Asia volunteers. For four hours, the Good Samaritans walked the dogs, bathed, cleaned and groomed them, cleared out the kennels and the catteries, and more. The convenience store chain also donated some much-needed products. Seen above are the volunteers, along with 7-Eleven Malaysia general manager Ronan Lee (second from left) who said: "We won't be where we are today without the loyal support of the community that we serve in. Therefore, we will continue our endeavours in giving back to the community in all manner, from championing a noble cause to playing a role in helping Mother Nature as at 7-Eleven, we're 'Always There For You'."
