### Novel festive music programme

**FOLLOWING** their Christmas performance for OCBC Bank (Malaysia) Berhad (OCBC Bank) staff in December, the singers from Dignity for Children Foundation (Dignity) were back at Menara OCBC, Jalan Tun Perak with their repertoire of Lunar New Year hits - sung by youth and children of various ethnicities.

The 22-strong choir mesmerised the audience with classics such as *Tian Mi Mi* (Sweet like Honey), *Molihua* (Jasmine Flower), *Kang Ding Qing Ge* (Kang Ding Love Song), and *Ali Shan Zhi Ge* (Song of Ali Mountain).

Present to lend support to the Oriental atmosphere were OCBC Bank CEO Danak Ong Eng Bia and OCBC Al-Amin Bank Berhad CEO Syed Abdull Aziz Syed Kechik together with several other senior management personnel. The singers were later treated to lunch at the bank's premises.

The bank's staff also made a financial contribution to Dignity to support its effort to bring more children back to school in 2020.

The residents of Joy Garden Old Folks Home and volunteers from 7-Eleven and NGOHub Asia.

## The gift of joy

7-Eleven Malaysia brings celebration to home

**I**N the spirit of festive celebrations, 7-Eleven Malaysia alongside NGOHub Asia organised a Chinese New Year celebration with a group of senior citizens from Joy Garden Old Folks Home in Semenyih.

The joyous occasion began with the traditional practice of tossing yee sang to welcome good fortune for the year. The residents were then treated to a sumptuous Chinese New Year lunch consisting of delectable dishes which included braised noodles, fried rice, curry fish and many more.

After feasting, the volunteers spent some quality time with the residents by having singalongs and sharing meaningful conversations. To complete the celebration, volunteers also distributed red packets and goodie bags containing snacks and beverages.

Overlooking a lake and surrounded by lush greenery, Joy Garden Old Folks Home is a non-profit charitable organisation under House of Joy that administers shelter and care to a group of underprivileged people from various walks of life, including neglected elderly folk, the disabled and the mentally ill. The home currently cares for about 43 residents with the help of caretakers.

7-Eleven Malaysia's general manager of marketing Ronan Lee said: "At 7-Eleven Malaysia, it always brings us great joy to provide festive cheer to those who do not have the privilege to spend it with their families or loved ones, as well as those in need."

"We hope that this celebration will be a memorable one for them as they start the new lunar year on an auspicious note."

For more information on how to support Joy Garden Old Folks Home, contact Lesley Man at 019-339 2847 or visit the home's Facebook page.
